## **WE ARE PROUD, AS:**

Based on the latest (2023) DPR AAE Career Guidance Support Module Latest Flash Report:

- our graduates are quickly placed in the labour market (average time to find a job is 1.4 months for bachelor's degree graduates and 1 month for master's degree graduates)
- our graduates are not unemployed for longer periods after graduation (the proportion of people currently looking for a job one year after graduation is below 0.5% for both bachelor and master graduates)
- those who have studied with us are in more prestigious jobs (above-average-paying or senior positions requiring at least a university degree)
