
BLENDED INTENSIVE PROGRAMME

INTERPRETING FOR BUSINESS IN THE GLOBAL ERA

SUMMER SCHOOL - JUNE-JULY 2024

ISCAP-P.PORTO

ABOUT THIS COURSE

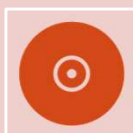

This BIP will run as a Summer School.

"Interpreting for Business in the Global Era" is an introductory and comprehensive Blended Intensive Programme (BIP) designed to equip participants with the skills and knowledge necessary to navigate communicative situations requiring language mediation

During this BIP you will gain insights into cultural nuances and etiquette to ensure accurate and effective communication in diverse settings, including health-care and community settings. You will also engage in practical exercises and real-world interactions to develop skills in the scope of remote and whispered interpreting.

Target Public: Whether you are aiming to have your first interpreting experience or to brush up your current skills, this BIP will provide the hands-on experience you need, provided you have a good command of English (minimum B2).
