## STAFF WEEK

---

# BEYOND ASSESSMENT

RETHINKING EVALUATION AND GRADING IN  
HIGHER EDUCATION LANGUAGE TEACHING

21 • 22 • 23 • MAY • 2026

---

This staff week aims to bring together colleagues who are rethinking assessment practices in response to evolving pedagogical demands, increasing diversity in student populations, and the growing role of digital tools. We will explore approaches that support learning, promote transparency and fairness, and strengthen student engagement across different institutional contexts.
