

[From war to peace: Croatian veterans in transition \(IP - 2022-10-8510, Croatian Science Foundation\)](#)

Acronym: CRO VETERANS

Coordinating institution: Faculty of Humanities and Social Sciences in Split

Lead investigator: prof. dr. sc. Aleksadar Jakir (ajakir@ffst.hr)

Project timeframe: December 2023. – December 2027.

Project goals: The research includes extensive field research and creation of a systematized overview of the research results, and finally a publication of a book and a number of research articles on the topic of the adaptation of Croatian veterans in transition, the formation of identity, as well as narratives about the Homeland War. The culture of memory related to veterans will be specifically investigated. Numerous dissemination events will also be held, such as an international scientific conference, roundtables and public lectures.

Members of the project team:

Prof. Dr. Sc. Tihomir Cipek, Faculty of Political Sciences in Zagreb

Dr. Sc. Julija Barunić Pletikosić, Homeland War Memorial Center

Ivan Radoš, Homeland War Memorial Center
