

Erasmus+ 60 (Erasmus+ Cooperation Partnerships in Higher Education, 2021-1-FR01-KA220-HED-000032112)

Coordinating institution: The University of Versailles-Saint-Quentin-en-Yvelines (UVSQ)

Project timeframe: January 2022. – December 2024.

Partner organizations: Faculty of Humanities and Social Sciences in Split (FHSS), University of Porto, European University Foundation, Latvijas Universitate, Eotvos Lorand University, Mendel University in Brno, University of Zurich

Project goal: The project focuses on the learning, training and well-being of people over 60 years of age with the aim of their greater inclusion in the higher education system. One of the project's objectives is to research and then develop training programs and activities that contribute to building inclusive higher education systems with tailored offers for citizens over 60 years of age, including activities of critical thinking, perception of European identity and diversity, intergenerational learning and promotion of healthy and active aging.

FHSS members participating in the implementation of project activities: full prof. Gloria Vickov, assoc. prof. Morana Koludrović, assist. prof. Suzana Tomaš.
